ready to write your book let's get started

i want to write a book where do i start are you thinking of writing a novel or a nonfiction book but aren't sure where to begin perhaps you've heard of the snowflake method the 30 day method the 5 draft method outlining plotters and pantsers but are just having trouble fitting writing into your life this is the writing guide to get you going maybe you've already started a book once twice several times yet somehow drifted away lost focus lost momentum and ended up dumping your manuscript in the too hard basket this is the writing guide to get you back on track 12 simple steps to becoming an author divided into three easy stages how to write a book has 12 simple steps that take you through the process of writing from start to finish part 1 getting started explores the tricks of the mind that stand in the way of a would be writer from finding the time to dealing with distractions battling resistance what to do when your mind's a blank and even writing with a tomato part 2 keeping going most novels are abandoned one third of the way in find out why and find out what you can do when you hit the wall strike writer's block or are trapped in the tyranny of constant changes part 3 letting go the tricks of the mind don't stop once you type the end this part looks at the quest for perfection and how to handle it dealing with rejections and what to do once you think you're done bonus chapter a special bonus chapter deals with what you should write the business of writing being a guinea pig doing a nanowrimo write a novel in a month the three ps practice productivity and professionalism and what being a successful writer really means write the novel you've always dreamed of writing start today excerpt from the introduction on 1 september 1995 jim grant sat down to write he'd never written a novel before and having just been made redundant from his job at granada television reckoned he'd have to earn himself a laptop so he went out and bought three pads of paper a pencil a pencil sharpener and an eraser investing the princely sum of 3.99 in his new vocation then settled down to work long hand the book he wrote called killing floor earned grant a laptop all right and a great deal more it and his subsequent books have regularly topped the bestseller charts for the last twenty years but you probably don't recognise his name that's because grant writes under the pseudonym lee child my aim in opening with that story wasn't to add to the mythology of jim grant lee child or to help him sell more books he seems to be doing okay without my assistance what i wanted to emphasise was the writer's basic tools pads of paper a pencil a pencil sharpener an eraser that really is all you need and it's all writers have needed for centuries you don't need a new laptop with terabytes of disk space and monitor large enough to be seen from the moon all you need is 3.99's worth of supplies about 5 in the us if you have a typewriter great a computer's even better but neither of those things are essential all you really need is some method of recording your thoughts a pencil and paper work fine just ask lee child

the easiest and fastest way to get your book finished and selling learn to write books the fast and easy way step by step books are the

ones that people are really looking for they have problems that need to be solved step by step books can solve those problems and break down instructions so that anyone can understand and follow them write the kind of book that will really hit home with readers think about the books that you have read which books make your list of all time favorites there will certainly be those that you loved for their entertainment value but what about those that you read because you needed the information weren't the manuals the guides and the worksheets the most valuable of books that you picked up those were the books with specific and actionable instructions never write another book that doesn't sell as an author there is also the worry of writing books that don't sell this book teaches you the basics of where and how to research your book in lightening time then how to analyze whether your book has a chance at selling a decent number of copies per month get the checklist that will keep you on track you can count on this book to give you a perfect checklist for writing your book and a schedule outline that will show you how to break down the production of your book into manageable steps over a reasonable amount of time for producing multiple books to put out as your own personal catalogue of assets that will bring in streams of income each and every month become a better writer write faster write more you will become a better writer and a better organizer so that you can truly become a book factory you will learn how to make those books with the kind of quality that is expected of a professional writer and with your own style and voice so that you can attract your own personal fan base become the author publisher entrepreneur of your dreams and realize that you can get there faster with focused one problem one solution step by step books learn how to leverage what you already know and build on that knowledge in the most creative ways let the author within you loose and see what your potential can really be the book is getting great reviews this book rocks this book rocks it is a wealth of information if you are looking to write a book from scratch and have it published the author covers everything from picking topics of interest and research to structuring a book promoting a book creating the cover title description and so much more i am keeping this book as a reference guide thumbs up on this one get it i recommend this book i love this book i've had a book in the back of my mind forever but just kept putting it off i followed the author's instructions step by step and finally got this book written and published within 2 weeks this book will be on my kindle for pc forever i thought the best part was the section on how to research your topic now i know exactly what to do before i even consider putting pen to paper there is more info here than i received from kindle courses that i've paid a premium fee for i also keep the wonderful checklist the author so kindly provided on my desktop for easy daily reference this way i can check my progress every day and see where i'm falling behind or when i'm slacking off i recommend this book to every would be writer and every currently publishing author out there your productivity will definitely improve if you follow the author's guidelines you really will find yourself writing fast writing more and achieving success as an author and publisher i loved the simplicity i loved the simplicity and the practical nature of this book having bought kindle courses and programs from gurus i feel i am qualified to give a review this book is a practical step by step guide how to write a non fiction book
